ABOUT THE LANGLEY CIVIC LEADERS ASSOCIATION

The Langley Civic Leaders Association (LCLA) is a not-for-profit organization created in 2001.

Effectively supporting Langley Air Force Base (LAFB) and its associated tenant organizations to keep the base open and active—a base that is critical to the economy of the Hampton Roads region and the Commonwealth of Virginia. We support the base, its functions and programs, as well as all of its military personnel and civilian employees.

Membership in LCLA provides individuals with an opportunity to enhance the quality of life of the men and women in the Air Force and improve the civilian and Air Force communications throughout Hampton Roads.

OUR MISSION

Educate the community with respect to the mission and needs of Langley AFB, and its tenant units: Hampton, VA, the Department of the Air Force, and Air Combat Command.

Promote the morale, welfare, and education of the personnel attached to Langley AFB and their families.

Promote and enhance a mutually beneficial relationship between the community and Langley AFB.

Promote the enhancement and improvement of the facilities and assets of Langley AFB, and its tenant units.

DEFINITION OF A LANGLEY “CIVIC LEADER”

A credible, engaged, respected, inspirational individual of good principal and character within the community. Noted for their leadership and philanthropic desire to contribute to the well-being of the Airmen and their families assigned to LAFB, without personal gain. Someone who is involved in the community, has a network of contacts where they are in fact a leader, and can be a spokesperson for the value of our military community to those who don't touch it on a daily basis.

OUR ADOPT AN AIRMAN PROGRAM

The “Adopt an Airman” program, a LCLA collaboration between Joint Base Langley-Eustis and the City of Hampton, connects selected community members and families with young Airmen to provide a home-away-from-home during their first enlistment in the military. It also offers individuals and families a unique opportunity to support and bond with our fine Air Force men and women—the air and space leaders of tomorrow. If you have the desire and commitment to make a difference in a young Airman's life, this is the program for you.

The Langley Civic Leaders Association meets at noon, every other month on the first Wednesday of the month at the Langley Club on LAFB.

For more information on the Association or to schedule a member of the Association to speak to your civic group, use the contact page of our website, langleycivicleaders.org, and the appropriate person will be in contact. We'd love to hear from you!
